WORK EXPERIENCE

eSoft Technologies

October 2023 - April 2026

Team Leader in Sales

- * Led and mentored the sales team to consistently achieve and exceed sales targets.
- * Advised clients on SAP ERP modules and SaaS solutions tailored to their business needs.
- * Analysed client data using CRM tools and AI-powered insights to drive sales decisions.
- * Developed strategies for client acquisition, upselling, and revenue growth in the tech sector.
- * Monitored team KPIs, lead conversions, and sales performance metrics weekly.
- * Leveraged Zapier and CRM automation to streamline lead nurturing and sales follow-ups.

Medivant Healthcare

May 2022 - September 2023

Sales Consultant

- * Generated and converted leads through cold calling, email outreach, and domestic market research.
- * Drove client acquisition and upselling initiatives to maximize regional revenue.
- * Trained new team members to enhance sales performance and target achievement.
- * Negotiated and closed high-value contracts, ensuring long-term client partnerships.
- * Monitored sales metrics to refine strategies and achieve monthly targets.

T & F Insulations

July 2020 - March 2022

Team Leader in Technical Sales

- * Managed domestic sales operations, focusing on technical wire solutions for local industrial clients.
- * Identified and captured new business opportunities within the domestic insulation market.
- * Generated leads for improvement in technical product specifications using Jira based on client feedback.
- * Oversaw sales of low-current DC testing solutions, identifying arc fault risks for domestic safety standards.
- * Inspected raw materials and systems to ensure quality compliance for high-value sales contracts.
- * Analyzed technical malfunctions to provide root-cause solutions for client retention.

Teleperformance

June 2018 - March 2019

Technical Support Executive in Sales

- * Identified sales opportunities for hardware and software upgrades during technical support interactions.
- * Diagnosed technical faults while promoting supplementary service products to clients.
- * Communicated effectively with customers to resolve problems and close support-related sales.

EDUCATIONAL & PROFESSIONAL CREDENTIALS

- * MBA - IT | G & R Institute of Technology and Management, AKTU
- * B.Tech. - Electronics & Communication Engineering | Poornima Institute
